Safety data sheet for domestos thick bleach

We take great care to ensure information on this site is up to date. However, please always check product packaging for the most up to date ingredients used. Below you will see the ingredients we have used within this product. Clicking on the arrow next to each ingredient provides you with information on what role it plays in the product. Due to limited space on pack, we also disclose a longer list of fragrance ingredients. For recently launched products or where the formulation has changed, this detailed fragrance information might not be immediately available as it takes time to update each product page. Ingredients correct at time of publishing, always check product packaging. All product names which include a date (month and year) are no longer manufactured. Aqua Sodium Hypochlorite Oxidising Agent In laundry and household care products stains are removed by oxidation (bleaching). Cocamine Oxide Surfactant An ingredient which helps to clean or remove dirt and oil, creating foam when used with water Sodium Hydroxide pH Adjuster Controls the acidity / alkalinity balance of products Sodium Laurate Surfactant An ingredient which helps to clean or remove dirt and oil, creating foam when used with water Potassium Trisphosphonemethylamine Oxide Sequestrant Helps prevent impurities from water from causing adverse effects on product performance, appearance, or stability. Parfum Fragrance Provides a distinctive, pleasant smell Camphor Isobornyl Acetate Isopropyl Myristate Sodium Silicate Buffering Agent Maintains the right acidity / alkalinity balance of a product Dimethicone Antifoaming Agent Prevents excessive foam or bubbles forming when a product is used CI 19555 Example: bachelor of science REVISION DATE: 19/07/2010 SAFETY data SHEETD omestos Thick Bleach Original Blue1 IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKINGPRODUCT NAMED omestos Thick Bleach Original BlueUnilever UK LimitedSUPPLIERS pringfield DriveLeatherheadSurreyKT22 7GR0800 77 66 45 / Eire 1850 388 / 4 APPLICATIONH ygienic Cleaner for Hard surfaces and ToiletsEMERGENCY TELEPHONE0137294 8999 CONTAINER SIZEBottle2 HAZARDS IDENTIFICATIONI rritating to skin.
